## PHS Wastetech Returns For New Fleet

With a network of 20 depots positioned throughout England, Scotland and Northern Ireland, servicing over 15,000 clients PHS Wastetech is one of the country's leading service providers in commercial waste collection.

We were delighted when PHS recently awarded us a 5 year contract to supply 26 trade RCV's and 7 Caged Tippers, for collection services primarily in and around Manchester and London.

Lee Herriott, Head of Procurement, PHS said: "We have worked with SFS in the past with success and have found them to be a very straight forward and professional team. They also have strong relationships with all the vehicle manufacturers."

## SFS By The Sea

We're really looking forward to the Plant and Waste Recycling Show in Torbay this year.

It's our first time exhibiting at the show and we hope that it will be a great opportunity for networking.

Please visit us on **stands 28 & 29.**

With a 3.5m high DAF kerbloader positioned at the back of our stand emblazoned with our logo we won't be hard to miss!
